

Axiom Administrative Services and or Axiom Health Care Marketing (AAS) and or Axiom Internet Marketing (AIM) and or related entities, employees, contractors, vendors, affiliates, officers, directors and or shareholders which manage this website and blog do not share personal information with third-parties nor do we store information. Only information is collected about your visit for use other than to analyze content performance through the use of cookies, which you can turn off at any time by modifying your Internet browser's settings. We are not responsible for the republishing of the content found on this blog on other Web sites or media without permission.

The information contained in this website is for general information purposes only. This website is for informational purposes only, and is not intended to be medical advice. Copying of this site strictly prohibited. The information is provided by AAS and AIM and while we endeavor to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

In no event will AAS and AIM be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of this website.

Through this website you are able to link to other websites which are not under the control of AAS and AIM. We have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them.

Every effort is made to keep the website up and running smoothly. However, AAS and AIM takes no responsibility for, and will not be liable for, the website being temporarily unavailable due to technical issues beyond our control.

AAS's and AIM's site contains articles on many medical topics; however, no warranty whatsoever is made that any of the articles are accurate. There is absolutely no assurance that any statement contained or cited in an article touching on medical matters is true, correct, precise, or up-to-date. The overwhelming majority of such articles are written, in part or in whole, by nonprofessionals. Even if the article is written by a professional, and or the statement made about medicine is accurate, it may not apply to you or your symptoms. The medical information provided on AAS and AIM sites are, at best, of a general nature and cannot substitute for the advice of a medical professional (for instance, a qualified doctor/physician, nurse, pharmacist/chemist, and so on). AAS and AIM is not a doctor. None of the individual contributors, system operators, developers, and sponsors of neither AAS nor anyone else connected to Axiom can take any responsibility for the results or consequences of any attempt to use or adopt any of the information presented on this web site. Nothing on the AXIOM family of sites should be construed as an attempt to offer or render a medical opinion or otherwise engage in the practice of medicine. Please consult a physician and or Healthcare Professional.
